

CALL
for participation in the international scientific conference
Social Aspects of the Application of Artificial Intelligence and Transhumanism
Belgrade, 23 and 24 October 2025

We invite members of the international academic community to submit an application with an abstract of the paper for the conference Social Aspects of Application of Artificial Intelligence and Transhumanism by May 15, 2025 at the latest.

The international scientific conference is organized by the Center for Sociological and Anthropological Research of the Institute of Social Sciences, with the support of the Research and Development Institute for Artificial Intelligence of Serbia and the sponsorship of The Ministry of Science, Technological Development and Innovation of the Republic of Serbia.

The conference includes four sessions:

- Artificial Intelligence (AI) and culture
- AI in the media
- AI and transhumanization in the economy
- Challenges of transhumanism and the use of AI, and the transhumanization of society

The following topics will be covered in the sessions.

- Application of AI in culture, with an emphasis on:
 - protection and presentation of cultural heritage,
 - art (cinematography, music, visual arts),
 - cultural tourism,
 - accessibility of cultural heritage.
- Application of AI in the media with a special focus on:
 - negative aspects in the form of the placement of disinformation and fake news, edited photos, videos and audio recordings, etc.,
 - affirmative aspects such as assistance in organizing, producing, editing text, images and video material, etc.
- Sociological aspects of the application of AI and transhumanization in the economy, as well as more specifically in:
 - IT sector,
 - economy,

- industry.

- Challenges in the era of transhumanism and the use of AI, and the transhumanization of society:

- ethical challenges,
- religion, AI and transhumanism,
- education, AI and transhumanism,
- art, science, sports and AI (especially music and copyright),
- AI and vulnerable social groups (especially people with disabilities),
- impact on the general progress of society and interpersonal relations.

There is no registration fee for participation in the conference.

Applications are submitted by filling out the form found [HERE](#).
